### SUMMARY OF SERVICES

10. During the Compensation Period, the Debtors relied heavily on the experience and expertise of Lazard's professionals in dealing with matters described in Paragraph 11. Since the bankruptcy filing of LBHI on September 15, 2008, and through the Compensation Period, Lazard's highly skilled restructuring and mergers and acquisitions professionals devoted significant time and effort to perform properly and expeditiously the required professional services. Lazard professionals based in the United States worked on various Lehman related matters, including but not limited to real estate funds and comprehensive financial analysis in connection with a potential plan of reorganization.

11. A summary of some of the services rendered by Lazard during the Compensation Period are as follows:

- a) *Financial Analysis and Preparation of Court Filings:* Since filing Lehman's First Plan and Disclosure Statement in April 2010, Lazard professionals have continued to devote significant time and resources to constructing a comprehensive financial analysis to assist in evaluating potential plans of reorganization. During the Compensation Period, Lazard professionals worked closely with A&M and the counsel to the debtors to define assumptions and discuss possible scenarios related to the debtors' plan. Lazard conducted numerous iterations of the analysis and created and reviewed various outputs under a multitude of scenarios. The result of this analysis, the Debtors' First Amended Plan and Disclosure Statement, was filed with this

Court on January 25, 2011. Additionally, Lazard and A&M met with the advisors to the committee of unsecured creditors and other key parties on several occasions before and after filing of both the First and First Amended Plan and Disclosure Statement to discuss the assumptions supporting the analyses and answer any questions. These meetings necessitated that Lazard prepare numerous presentations and gather the supporting background materials. As of the filing of this interim fee application, Lazard continues to work diligently with A&M and the counsel to the debtors to refine and continually update these analyses.

- b) Lazard has worked extensively on behalf of the estate and its creditors to value the PIK note provided by Lehman ALI Inc. ("Lehman ALI"), a wholly-owned direct subsidiary of LBHI, to Lehman Brothers Inc. ("LBI"). In order to value the PIK note, Lazard has undertaken an in-depth analysis of the assets and liabilities of over one hundred entities affiliated with the LBHI estate. In addition, Lazard has prepared numerous presentations and analyses for meetings with the Debtors and their advisors to discuss the PIK note and the appropriate steps for the estate to take in negotiating the ultimate value of the PIK note with LBI. Lazard's work related to the PIK note is ongoing.
- c) *Assistance in LAMCO Process*: Pursuant to its Lazard's Supplemental Application and Modified Engagement Letter, Lazard conducted a comprehensive marketing process on behalf of the estate in order to obtain a strategic investor in LAMCO. As part of this process, Lazard conducted numerous first and second-round meetings with potential strategic partners, reviewed and analyzed term sheet proposals from potential strategic investors, conducted, and assisted LAMCO management with, negotiations with potential strategic investors and provided periodic updates to the Creditors Committee. This marketing process was terminated by management, in consultation with the Creditors Committee, in late March and Lazard has ceased its activities associated with it.
- d) *Review of strategic alternatives regarding the Estate's preferred and common equity positions in Neuberger Berman*: Lazard individuals have devoted significant time to assist the Estate in evaluating strategic alternatives that would lead to liquidity to the Estate with an ultimate path to exit of the Estate's preferred and common ownership in Neuberger, while maximizing value to the Estate. Lazard performed due diligence on Neuberger, including due diligence sessions with Neuberger senior management, Neuberger's financial advisors and Neuberger's auditors. Lazard conducted extensive financial analysis, including capital structure and transaction analyses, valuation and benchmarking analyses, and cash flow and return

analyses, analyzing various transaction scenarios. Lazard individuals worked closely with A&M during the process to refine assumptions. Further, Lazard assisted the Estate in negotiations, including in-person meetings with A&M and the counsel to the debtors, the unsecured creditors' advisors, Neuberger management and its advisors, and the Neuberger Board of Directors. As of the filing of this interim fee application, Lazard continues to work diligently with A&M and the counsel to the debtors to reach an agreement with Neuberger management and its Board.

- e) *Assistance in Aurora Bank Sale Process:* Lazard bankers have begun conducting a full sell-side process to find a buyer for Aurora Bank. Lazard's future and current workstreams include preparing the company for sale, helping to determine a universe of potential buyers, creating sales documents/memorandum, running a sales process with interested parties, and ultimately negotiating an agreement with the buyer. As of the filing of this interim application, the sale process is ongoing.
- f) *Other:* During the Compensation Period, Lazard professionals also provided assistance on several additional matters.

#### **ACTUAL AND NECESSARY DISBURSEMENTS OF LAZARD**

12. As set forth on Exhibit E annexed hereto, Lazard has disbursed \$5,600.58 as expenses incurred in providing professional services during the Compensation Period. Lazard has maintained detailed records of actual and necessary expenses incurred during the Compensation Period. With respect to expenses, it should be noted that Lazard has absorbed certain expenses customarily charged by other professionals in bankruptcy cases. For example, Lazard does not allocate office telephonic charges by client and thus these costs are absorbed by Lazard in its overhead and not charged to the Debtors' estate. Lazard respectfully submits that the expenses for which it seeks allowance during the Compensation Period are necessary and reasonable both in scope and amount.

**CONCLUSION**

13. It is respectfully submitted that the amount requested by Lazard is fair and reasonable given (a) the complexity of the issues presented, (b) the time and labor required, (c) the skill necessary to perform the financial advisory services, (d) the preclusion of other employment, and (e) the customary fees charged to clients in bankruptcy and non-bankruptcy situations.

WHEREFORE Lazard respectfully requests (i) an interim allowance of compensation for professional services rendered during the Compensation Period in the amount of \$1,700,000.00 and reimbursement for actual and necessary expenses Lazard incurred during the Compensation Period in the amount of \$5,600.58; (ii) the allowance of such compensation for professional services rendered and reimbursement of actual and necessary expenses incurred be without prejudice to Lazard's right to seek additional compensation for services performed and expenses incurred to during the Compensation Period which were not processed at the time of this Application; and (iii) such other and further relief as is just.

current assets that are not sold by the Company or relevant Company entity, as applicable. For purposes of calculating Aggregate Consideration, the value of securities (whether debt or equity) that are freely tradable in an established public market will be determined on the basis of the average closing price in such market for the 10 trading days prior to the closing of the Sale Transaction (the "Valuation Date"); and the value of securities that have no established public market or other property will be the fair market value of such securities or other property on such Valuation Date and any restricted stock (i.e., stock in a public company not freely tradeable) received shall be valued at 85% of the public market price of such stock. Aggregate Consideration shall also be deemed to include pension liabilities and guarantees of monies borrowed assumed directly or indirectly by the third party. - (ii) in no event shall an Indemnified Person be indemnified or receive contribution or other payment under the indemnification provisions of the Engagement Agreement if the Debtors, their estates or the Committee assert a claim, to the extent that the Court determines by final order that such claim resulted from the bad-faith, self-dealing, breach of fiduciary duty, if any, gross negligence, or willful misconduct on the part of that or any other Indemnified Person; and
- (iii) in the event an Indemnified Person seeks reimbursement for attorneys' fees from the Debtors pursuant to the Engagement Agreement, the invoices and supporting time records from such attorneys shall be annexed to Lazard's own interim and final fee applications, and such invoices and time records shall be subject to the United States Trustee's Guidelines for compensation and reimbursement of expenses and the approval of the Bankruptcy Court under the standards of section 330 of the Bankruptcy Code without regard to whether such attorney has been retained under section 1103 of the Bankruptcy Code; and it is further

ORDERED that to the extent this Order is inconsistent with the Engagement Agreement or the Application, this Order shall govern; and it is further

ORDERED that this Court shall retain jurisdiction with respect to all matters arising or related to the implementation of this Order.
